COMPANY INTRODUCTION

Born for
Electrical appliances

ABOUT US

GUANGDONG YOUSDAS ELECTRIC APPLIANCES CO., LTD., which is developed from ZHONGSHAN CITY AINA ELECTRIC APPLIANCES CO., LTD., is specialized in electric kettle for more than 24 years. After long term development, we are now one of the largest and the most advanced electric kettle enterprises.

Our manufacture locates in Zhanjiang City Guangdong province. We have more than 300 professional workers and 30,000 SQM workshops. Now we have 5 complete production lines, and have our own equipment of injection, hardware punching, polishing and ultrasonic wave cleaning. We can do ODM and OEM as customer's needs.

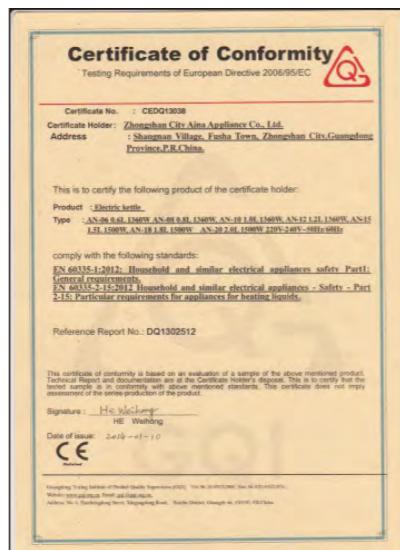

Our products have been sold to more than 80 countries all over the world. Our company pursue the policy of "Quality is the life for a factory". We keep every product qualified with certificates like CB, CCC, CE, EMC, LFGB, ROHS.
